

Classical Ballet-Children's Program

Our **Classical Ballet** program focuses on fun yet careful training for all ages. The program uses the Royal Academy of Dance syllabus. This syllabus emphasizes age appropriate training with special care to develop dancers correctly in relation to what their bodies can handle as they grow. At the end of each level, students are offered the opportunity to present their work to a RAD examiner.

Children's Program

This program teaches the joy of ballet utilizing classical training, musicality through character dancing, and free-movement to encourage the natural abilities of dancers.
